Projects

1986

Herman Miller Western Regional Facility *Rocklin, California*

Preparation of a master plan to develop 1,000,000 SF site, and design of a 400,000 SF manufacturing and distribution facility.

Completion: June 1999

1987

Progressive Corporation Master Plan *Cleveland, Ohio*

Preparation of a master plan for the site of an office tower in collaboration with the office of Peter Eisenman.

1997

Mercedes, Proarch Development *Düsseldorf, Germany*

A 140,000 SM office, residential, commercial and recreational development, designed in collaboration with the offices of Rem Koolhaas and Jean Nouvel.

2002

Venice Gateway *Venice, Italy*

A 30,000 SM airport-to-boat terminal exchange, including office spaces, meeting rooms, retail spaces, a conference center and a restaurant.

2007

Beijing Central Business Development Park *Beijing, China*

A 10-acre park with 350,000 SM of high-end retail accessible from eight sunken courtyards below a park. A 1800 SM conservatory and an intimate 500-seat amphitheater located at opposite ends of the site create symbolic gateway to CBD.

Projects

2007 **Sonderborg Harbor Master Plan**

Sonderborg, Denmark

A 12 acre waterfront master plan for a 60,000 SM mixed-use development and public spaces. The development includes a 5-star hotel, offices, residential, cultural, and recreational amenities in a sculpture park.

Concept Design: 2007-2008

2009 **New Campus Glasgow Competition**

Glasgow, Scotland

A 77,000 SM master plan study (in collaboration with RMJM) to combine three existing colleges into one "Super" Campus in central Glasgow. The new campus will provide teaching spaces for specialized curriculum groups, as well as a Learning Resource Center.
